

## WOA Optometrist of the Year / Young Optometrist of the Year

### Nomination Form

Nominees will be evaluated according to a point system developed by the AOA. The criteria vary slightly between the OD and Young OD categories. For this purpose, "young optometrist" is defined as those who have been in active practice less than 10 years. In the event that a suitable nominee is not selected by the judging panel, no award will be given that year.
